

CHECKLIST

CLOTHING

- Lightweight long underwear bottoms and tops. We recommend Simms WaderWick midweight, Patagonia Capilene midweight, Lands End Polartec powderdry, or Cabelas Polartec.
- Fleece long underwear for cooler days and to protect against cold Alaskan water. We recommend Simms, Patagonia, or L.L. Bean Polartec.
- Midweight Windstopper jacket, great for non-rainy days. windstopper jacket or Cabelas polartec 200.
- (1) Gore-Tex breathable waterproof rain jacket. Do not skimp on this. We recommend Simms Gore-Tex Guide Jacket, Patagonia SST, Columbia, or L.L. Bean. Specify breathable waterproof Gore-Tex.
- (1) pair of breathable Gore-Tex waders. We recommend Simms or Cabelas.
- (1) pair of rubber-soled wading boots, large enough to fit wader socks. They should not be too tight. No studs, no felt.
- (3) Simms technical T undershirt, alternative to lightweight underwear
- (1) Fleece jacket or vest
- (4) long-sleeved fishing shirts: long tail, two large pockets with closures
- (2) pairs of fishing trousers, only needed if desired under waders
- (3) pairs of wick type heavyweight socks for boots
- (2) pairs of lightweight socks
- (2) pairs of socks for traveling and evenings
- (1) pair of house slippers or comfortable lodge shoes
- (3) sets of lounging clothes for lodge apparel
- (1) Fishing hat
- (1) Pullover stocking cap, if visiting after September 1
- Fingerless fishing gloves if desired
- Fleece gloves for boat travel
- Wading belt
- (2) medium-sized duffel bags for all your gear. Large duffels are hard to handle in our planes, so please separate items into medium bags.
